

Engine	Horizontal single-cylinder, four stroke, air cooled
Lubrication	Wet Sump, forced circulation by mechanical pump
Timing	Overhead Camshaft
Capacity	124.0 cc
Compression	10.1 to 11:1 : 1
Carburettor	Walbro WVF-6 24mm
Ignition	C.D.I.
Starter	Electric - Activated by 12V Battery & Kick Starter
Gear Change	Automatic stepless variator
Primary Trans.	V-Belt
End Transmission	Transmission adapter with gears
Clutch	Automatic dry centrifugal
Frame	High tensile tubular steel split in two at the rear
Wheels	Light Alloy Front: 3.00 x 12" Rear: 4.00 x 10"
Tyres	Tubeless Front: 120/70 12" Rear: 130/70 10"
Front Suspension	Fork with connection elements
Rear Suspension	Hydraulic mono-shock absorber
Front Brake	Stainless Steel Discs 190 mm Ø with hydraulic transmission
Rear Brake	Drum brake 140mm Ø with mechanical transmission
Fuel Capacity	8.0 litres including reserve 2.0 litres
Dimensions	Length: 1980 mm Height: 1090 mm Seat Height: 755mm Width: 720 mm
Wet Weight	115 kg
Colours	Aprilia Black Chrome & Cambridge White
