THE PERFECT OUTDOOR EQUIPMENT

Adventure doesn't have just one meaning. For some, it's tackling the unknown, challenging the elements. For others, it's simply travelling new roads, tasting unusual flavours, seeing faces and horizons as yet unknown. Tuareg is ready to meet your needs. As the best outdoor equipment, it was designed and developed to tackle any condition, so as not to limit your idea of adventure, no matter what that may be.

ENGINEERED FOR ADVENTURE

The beating heart of Aprilia Tuareg is its 660 cc engine, compact, lightweight and technological. It has been designed to meet your every need and to give one hundred percent in off-road riding, thanks to dedicated elements such as the oil sump, designed to increase height off the ground, and the fluid dynamics, which provide torque at low and medium revs, and an average range of 450 km.

Aprilia Tuareg offers you a world of experiences: exploring, travelling, discovering. With the dedicated range of accessories, your Tuareg is already equipped for your next adventure. If you love being “on the road”, Tuareg becomes the perfect traveller, thanks to two types of case and top box to increase cargo capacity, its comfort saddle, and its oversized windscreen. If, on the other hand, thrills are not measured by the number of miles travelled, take adrenaline to the highest levels with the lightweight titanium exhaust made by SC Project, the quickshift, and the robust engine guards with steel tubes. Maximise technology by installing the exclusive Aprilia MIA platform for a fully integrated infotainment.
